Skyhorse Publishing, United States, 2016. Paperback. Condition: New. Reissue. Language: English. Brand new Book. Packaged in handsome, affordable trade editions, Clydesdale Classics is a new series of essential literary works. The series features literary phenomena with influence and themes so great that, after their publication, they changed literature forever. From the musings of literary geniuses such as Nathaniel Hawthorne in *The Scarlet Letter*, to the striking personal narratives from Harriet Jacobs in *Incidents in the Life of a Slave Girl*, this new series is a comprehensive collection of our history through the words of an exceptional few. When his father returns and begins to harass him for money, Huck is kidnapped and taken to his father's cabin, where he longs to escape. After faking his own death, Huck escapes to Jackson's Island where he meets a slave named Jim, who is also running...
